		-			
Provide a brief comment for the changes you are uploading:					
#llgtm-tache-316					-
Thank you for providing a changeset comment! This gives other mappers a better					
understanding of your intent.					
Specify the data source for the changes					
Automatically obtain source from current layers (just once)					
Bing					-
Thank you for providing the data source!					
Objects are uploaded to a new changeset . The changeset is going to be closed after this upload (configure changeset) Uploading 17 objects to 1 changeset using 1 request (advanced configuration) I would like someone to review my edits.					
	合 Upload Char	nges 🛛 🔞	Cancel	🛟 Help	

3. When uploading for the **first time**, you must authenticate the upload so that it is known who uploaded the data.

Accept Access Token

🔀 Cancel

🛟 Help

4. No you can **Test the Access**.

5. It it works fine, you should get this message. Otherwise talk to your teacher and he/she will try to connect you with the "Semi automatic" feature.

6. Congratulations, your upload is now working. Reminder: Steps 4. and 5. are only necessary if JOSM has not yet been used.
